

SUMMER ODYSSEY

with Coral

A SEASON OF LIGHT A JOURNEY OF DESIGN

A *Summer Odyssey* is a **celebration of travel through design**. As the days grow longer and the desire for escape deepens, Castro Lighting reminds us that the most unforgettable journeys can begin right at home — under the glow of artfully crafted light.

Step into a summer dream with the Coral Lighting Collection — where **oceanic elegance meets artisanal brilliance**. Inspired by coral reefs and handcrafted from premium brass, each piece brings the serene rhythm of the sea into your space with soft, ambient light and sculptural beauty.
